PRESERVING OUR HERITAGE ★ MISSISSIPPI DIVISION SCV

AVAILABLE TO THE GENERAL PUBLIC JANUARY 2011

◆ In tribute to the five years of the war, the design will change each of the next five years. The Beauvoir design is for 2011, there will be a Battle of Corinth design for 2012, Siege of Vicksburg design for 2013, Gen. Nathan B. Forrest design for 2014, and Confederate veterans tribute in 2015.

◆ The flag incorporated into the state map of the Sesquicentennial logo will also change each year: 2011-Bonnie Blue, 2012-First National, 2013-Second National, 2014-Gen. Forrest's battle flag, 2015-Third National.

◆ If you already have the current, 8 year old design, SCV plate, you are not required to get the new tag each year. You can keep the one you currently have, and just put the year sticker on the plate when you renew each year. You can stop on any tag design and keep it any year.

◆ The proceeds from the plate sales will continue to be used for the restoration and repair of original battle flags kept by the Mississippi Department of Archives and History and for the maintenance of Beauvoir, the last home of President Jefferson Davis in Biloxi.
